Thank You for your cooperation!

All deliveries, drop-offs and pickups, must be made from the loading dock and not through any of the hotels public entrances; there are no exceptions. The Hotels loading dock is located behind the main Building.

- Carts are not permitted through the public entrances of the hotel.
- Hotel does not have any carts, dollies or pallet jacks for client/exhibitor use; you must bring your own. All wheels must be rubber or plastic, no metal wheels are allowed.
- Please allow yourself ample time to check-in with security and/or banquets and to completely unload your vehicle, as there might be other deliveries at the same time.
- Vehicles may not park or stop next-to any yellow painted curb. This is a fire lane and your vehicle will be ticketed and/or towed.
- It's not the responsibility of the hotel when leaving boxes or materials unattended at any time.
- If you can carry it in your arms easily, and it does not look out of place; you can bring it in through any of the hotels public entrances, besides the main entrance **and** after parking in a designated parking spot.
